Admissions: step by step

Admissions to the Jagiellonian University take place via the Online Application System – IRK **irk.uj.edu.pl**

Admissions in six steps:

1. Create an account in IRK system;
2. Check the required documents;
3. Apply for a programme online;
4. Fill in the application form and pay the application fee;
5. Take part in an interview or entrance examination (mostly online);
6. You've been admitted? Enrol by submitting the required documents.

Documents required

- document confirming the attained level of education:
  - school-leaving certificate* for first-cycle study programmes;
  - higher education diploma* for second-cycle study programmes;
- decision on recognition of a document of international qualification – if required;**
- health insurance proof;
- documents confirming the knowledge of a foreign language at a level not lower than B2;***
- valid passport;
- other documents specific to a programme - if required.****

* The documents issued outside of Poland have to be translated into Polish (or English if it is the language of instruction of the programme) by a sworn translator or a Polish Consulate and have an apostille attached or be legalised.

** For documents issued outside UE/OECD/EFTA, Ukraine, China (Gaozhong), IB and EB diploma the is an additional requirement upon admission - a NAWA director's information. Check syrena.nawa.gov.pl for more information.

*** Check welcome.uj.edu.pl for more information and list of recognized certificates.

**** Any additional documents that may be required for a specific programme can be found at **irk.uj.edu.pl**

Further questions? Contact the Admissions Office at **welcome@uj.edu.pl**

Cost of studies

All foreigners undertake first-cycle, second-cycle, and long-cycle studies on a fee basis. Information on fees and rules for taking up studies free of charge is available on the website **welcome.uj.edu.pl**

The exact amount of fees for part-time study programmes, selected foreign language study programmes, and full-time programmes (in the case of fee-paying students) depends on the programme of study and can be checked in the catalogue found at **irk.uj.edu.pl** on a specific programme's page in the appropriate section.

School of Polish Language and Culture

the oldest and one of the most prestigious providers of Polish language and culture education in Poland.

plschool.uj.edu.pl

The School's academic offer includes:

- summer courses in July and August (Summer School);
- summer Polish language and culture camp for young learners aged 13-17;
- intensive two-week courses;
- non-intensive one-semester and one-year courses;
- intensive one-semester or one-year programme of Polish language and culture;
- intensive one-semester or one-year preparatory programme for studying in Poland;
- Polish course for foreign students;
- individual courses.

INTRO Days

This event is addressed to international students newly admitted to the Jagiellonian University. It comprises a series of meetings and courses aimed to introduce them into the University and familiarise them with the everyday life in Kraków. The programme includes informative meetings with members of JU academic community and workshops run by organisations associated with the University, as well as other institutions. During the INTRO Days you will learn how to register for courses or legalise your stay in Poland. You can also have a good time during movie screenings, trips to museums, or get-togethers with your future fellow students.

internationalstudents.uj.edu.pl

JU Student Ambassadors

JU Ambassadors are a team of international students, established with the aim of helping foreigners to learn all about studying at the Jagiellonian University and settling in Kraków.
